

Job title:	Marine Electrician – Rotational Schedule Dutch Harbor
Department:	Fusion Marine
Location:	North America/Seattle, Washington
Supervisor:	Director of Commercial Service
Shift work:	6 weeks on and off Dutch Harbor (Unalaska, Alaska)
FLSA:	Non-Exempt

Job Description

Job purpose:

The Marine Electrician is responsible for performing repairs on older systems, installation and/or integrating new, cutting edge technologies in the maritime industry.

Duties and responsibilities:

- Run tests on electrical components to ensure a safe and effective installation.
- Inspect electrical systems and equipment for any damage, malfunctions, and safety hazards.
- Electrical wiring of generators and motors.
- Wiring up industrial and/or marine lighting.
- Utilize test equipment as required (multimeter, watt meter, etc.)
- Pulling in, grooming and tying down cabling.
- Use and operate hand and power tools.
- Must provide your own primary tool set - we can work around a lack of tools when you're starting out.
- All other duties as assigned.

This Job Is Ideal for Someone Who Is:

- Dependable -- more reliable than spontaneous
- Adaptable/flexible -- enjoys doing work that requires frequent shifts in direction.
- Detail-oriented -- would rather focus on the details of work than the bigger picture.
- Achievement-oriented -- enjoys taking on challenges, even if they might fail.
- Autonomous/Independent -- enjoys working with little direction.
- Innovative -- prefers working in unconventional ways or on tasks that require creativity.
- High stress tolerance -- thrives in a high-pressure environment.

Qualifications:

- 1 year of experience as a Marine Electrician working on electronic equipment on commercial vessels or similar experience.
- A high school diploma or equivalent is required; any incumbent must be committed to self-development including lifelong learning, regardless of their formal education.
- Microsoft office products proficient (excel, outlook, etc.)
- Able to receive a TWIC card within 2 months of hire.
- Able to qualify for Military base access.
- Strong working knowledge of electrical safety standards.
- Experience with low and high-voltage systems and controls.
- Must be self-motivated and team oriented.
- Must have clean driving record, valid driver license and be insurable.
- Must have your own transportation (mileage provided for any work outside of King county).
- We have offices in Seattle and Dutch Harbor so travel will be required.
- Understanding of proper safety procedures and use of safety equipment.
- A willingness to embrace and live the core values of Fusion Marine/Network Innovations.

Direct reports:

- None

Working conditions and Physical requirements:

This position does have a standard 6-week shift rotation and/or on-call requirements. Work 6 weeks on and 6 weeks off in Dutch Harbor. Company provides housing while working in Dutch Harbor and transportation to and from Seattle for you at the beginning and end of the shift. You would work 7 days a week while in Dutch Harbor. There may be times when you may be required to work for a longer period than 6 weeks in either Dutch Harbor or Seattle. The incumbent must be available 24/7 x 365, within reason, to advance his/her team and the organization. The position operates in the field about commercial steel vessels. You must have the ability to travel. Applicant must be comfortable working in shipyard environments, onboard fish processing vessels, and working from heights for prolonged periods of time. The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- While performing the duties of this Job, the employee is regularly required to talk or hear.
- The employee is frequently required to walk and climb.
- The employee is occasionally required to stand; sit; use hands to finger, handle, or feel and reach with hands and arms.
- The employee must occasionally lift and/or move up to 60 pounds.
- Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision and ability to adjust focus.

- Ability to hear is crucial.
- Ability to drive a motor vehicle is required.

Disclaimer Statement: This job description lists the essential functions of the position and is not intended to include every job duty and responsibility specific to a position. An employee may be required to perform other related duties not listed above provided that such duties are characteristic of that classification.
